

PRESS RELEASE | 17 JANUARY 2022

New 75-bed care home for Avery Healthcare Group

Avery Healthcare Group has awarded Horizon Construction a contract to build their new £8.4m care home in Braintree, Essex. Colchester-based Horizon Construction was selected with confidence to deliver the care home – Avery's first in Essex – to add to their nationwide award-winning care home portfolio. Construction works will commence at the end of January 2022 and is expected to complete in Q3 2023.

The project involves the construction of a modern and carefully considered 75-bed facility. The delivery partners include architects at Harris Irwin, project managers at Holden & Lee, and mechanical and electrical consultants at Harniss Contracting.

Avery is one of the largest care home providers in the UK. Their award-winning care homes offer residential, dementia and respite care set within the latest facilities and uphold the highest standards and excellence in service for their residents.

Phil Holding, Managing Director at Horizon Construction, said: "Naturally, we are absolutely thrilled to have Avery as a new client. As a leader in its sector, we are proud to be entrusted with their latest project in north Essex. We are looking forward to growing our relationship and working in partnership with their team.

"The award of this new contract further demonstrates the reputation we are building in the healthcare sector for delivering high-quality construction solutions. As a principal contractor, our entire team prides itself on being judged and recognised for the service it provides.

"Building successful working relationships goes to the core of how we approach our services - from the very start of a project to the aftercare once it has completed. It's through our proven collaborative and transparent working practices, Avery and our other clients benefit from our experience, support and guidance."

PRESS RELEASE | 17 JANUARY 2022

New 75-bed care home for Avery Healthcare Group

Adrian Doyle, Director of Developments at Avery Healthcare, said: "We are delighted to be working with Horizon for our latest project; their reputation and expertise are the ideal solutions for us. We are looking forward to commencing works as soon as possible."
